Codington County 4-H Cloverbuds

What is the 4-H Cloverbud program?

In 4-H Cloverbuds your child will:

- .. Develop self understanding and confidence in a relaxed setting.
- .. Achieve success in learning and feel a positive sense of accomplishment.
- .. Learn how to get along with others and communicate in positive ways.
- .. Make new friends.
- .. Learn how to share, work together, compromise, and resolve conflict.

4-H Cloverbuds can help your youngster gain skills that can be used in school and throughout life. Don't miss this chance, check out the 4-H Cloverbud program!

4-H PLEDGE

I pledge my **HEAD** to clearer thinking,
my **HEART** to greater loyalty,
my **HANDS** to larger service,
and my **HEALTH** to better living,
for my club, my community,
my country, and my world.

The Codington County 4-H Cloverbud program introduces Kindergarten through second grade children, ages 5 to 7, to the traditional 4-H program.

It also teaches team work, leadership, and cooperative learning in a fun and friendly atmosphere.

Cloverbuds will meet once a month after school for one hour at Florence School, Waverly School or the Codington County Extension Office.

The cost is only \$10.00 to cover 4-H insurance, snacks and materials.
