HIGHWAY EQUIPMENT RENTAL AGREEMENT
Highway Supt., Rick Small, met with the Board to discuss a County contract, available to local Towns and Townships, for the removal of snow, blading or mowing of designated streets and roads under the jurisdiction of the Town or Townships. Mr. Small noted the rental agreement Resolution which compliments this contract has not been updated since January 2010 and the cost to operate the equipment used to perform the services within the contract has increased significantly. Motion by Hanten, second by McElhany to adopt Resolution 2014-28 which sets the rates for the use of County equipment through the contract for services. Commissioner Johnson advised the Board he received numerous calls from...
property owners along Township roads regarding the delay to clear certain Township roads of snow after a recent heavy snowfall. Commissioner Johnson also noted he tried to contact several Township Officers, in the affected area, with little success. Commissioner Johnson referenced Township laws that require Townships to keep mail routes and school bus routes open. Mr. Small noted Resolution 2014-28 allows Townships to request snow removal assistance from the County based on the adopted equipment rental rates. Upon vote of the Board the following resolution was adopted:

Resolution 2014-28

Whereas, Resolution number 765 was adopted to make County road equipment available to cities, towns, and townships on a rental basis.

And Whereas, the County road equipment represents a large investment by the taxpayers, the County Highway Superintendent is hereby ordered to set up equipment rental rates including operators for snow removal and maintenance as follows:

Motor graders with operator, $82.00 per hour
Motor graders with plow/wing & operator, $90.00 per hour
2 ½ ton truck/plow & operator, $74.00 per hour
Loader with rotary plow & operator, $149.00 per hour
Front end loader & operator, $93.00 per hour
Wheeled backhoe & operator, $55.00 per hour
Rotary mower & operator, $78.00 per hour
Minimum charge one hour, additional time in ½ hour increments.
Any other equipment to be billed at County’s cost plus 2%.

The above and foregoing resolution was moved for adoption by Commissioner Hanten, second by Commissioner McElhany, and upon vote of the Board all present voted aye; motion carried.
